ODYSSEY 300

The Odyssey 300 is an efficient & versatile horticultural LED grow light ideal for mid-height glasshouses or indoor farming installations.

Manufactured in the UK using the latest in LED technology and enclosed in a robust linear extrusion this luminaire is IP66 rated and built to last. The accompanying remote PSU can be mounted independently to increase configuration options.

Mounting options include rear mounting brackets or a suspension kit to ensure installation is easy whatever your set-up.

LIGHT OUTPUT

LED Colour	See spectra options
PPE	up to 3.8 $\mu\text{mol}/\text{J}$
PPF	up to 898 $\mu\text{mol}/\text{s}$
Beam Angle	120°

ELECTRICAL

Input Voltage	90-305 VAC or 249-528 VAC
Connection type	Trailing Lead
Dimmable	0-10V / Wireless
PF	>0.95 PF

PHYSICAL & ENVIRONMENTAL

Finish	Anodised aluminium
Length options	532mm
Storage Temp	-30°C to 85°C
Operating Temp	-10°C to 35°C
IP Rating	IP66
Cable Exit/Entry	End
Weight	4.5 kg
Lifetime	L90 >55,000 hrs

Vertically Urban run regular development cycles, continuously optimising and balancing product specifications to best suit our customers. All information therefore, is intended as a guide and specifications may change on occasion without notice or announcement. Technical data is measured under controlled conditions, expected performance is within +/- 10% of advertised figures. Information provided is intended as a description of the product and shall not be used in the form of any contract.
